### Community is Key at Key Bank

On Wednesday, May 20th, **15 employees from Key Bank** branches in East Bremerton, Silverdale, and Poulsbo helped to build a Habitat for Humanity of Kitsap County home at the New Hope site in Bremerton. Wearing t-shirts that read, "Community is Key", these great employees came out to volunteer to help build Habitat homes for their neighbors as a part of Key Bank's annual "Making A Difference Day". Thank you, **Cindy East**, for coordinating this effort, and a big thanks to the **Key Bank employees** who worked so hard to make a difference in our community. **Yay, Key Bank!**
