

## May 8th, HFHKC National Women Build Day

This year Kitsap Habitat will celebrate National Women Build Week on Saturday May 8<sup>th</sup> by opening the entire Cornerstone Place worksite in East Bremerton to Women Build. Fifty volunteer spots have been set aside on VolunteerUp for this popular annual event sponsored by Habitat International and Lowe's.

National Women Build Week and the May 8th event focus on expanding the base of women volunteers in construction. This is an opportunity for women of all skill levels and walks of life to learn a variety of construction skills together and apply them in building simple, decent, affordable homes with families in need in Kitsap County.

Although all are welcome, at least 75% of our volunteers on that date must be women for Kitsap Habitat to qualify for a \$5,000 Lowe's gift card associated with National Women Build Week. Sign up through [VolunteerUp](#) and join us from 8:30 AM to 3:30 PM on Saturday May 8th for this very special event! For more details call the office at 360-479-3853 or email: [Greg Alkire, Volunteer Coordinator](#) or [Sheila Marie, Development Associate](#).
